

Original Gutter Bin (OGB)

Gutter Bin® stormwater filtration system

Original Gutter Bin

Install and Service

- 5 minute install - **no** confined space entry, catch basin retrofit, or drilling required
- Servicing performed in 2 minutes or less
- Service interval depends upon climate, pollutant load & infrastructure
- Vacuum truck compatible

CERTIFIED:

- ✓ Full Trash Capture
- ✓ Vector Control Accessible

The patented Original Gutter Bin removes pollution from stormwater. It accepts the full line of Mundus Bag® water filters. The Mundus Bag can remove trash, microplastics, sediment, oils, greases and heavy metals to help protect and restore watersheds.

Product Highlights

- Original Gutter Bin grate made for your location with custom sizing, logo, and branding
- Adjustable design replaces existing storm grate in a drop inlet or combo inlet with bent or flat frame
- Hinged access hatch for quick service
- Largest adjustable overflow on the market
- Stainless steel filter component construction
- HS-20 load rated grate
- Easily removed for maintenance or TV camera access
- Optional sampling/vector control port
- 3-year limited warranty
- Functional art design builds public awareness
- Public Private Partnerships thru donated Gutter Bins
